FAMILY HUNTS

MAKE YOUR FAMILY PART OF THE HUNT!

Hunting is one of the best ways for families to bond and spend quality time together!

Let SOMERBY make your ultimate family vacation a reality.

BOW HUNTING

A large variety of species frequent waterholes, giving bow hunters numerous opportunities and producing an archery experience that will keep you coming back for more! South African style ground blinds are strategically placed on the exclusive bow hunting areas at waterholes, which are bustling with activity all day round (but especially early morning and late afternoon). The natural movement of game along trails and constant water drinking routines are closely monitored and essential groundwork is done before the hunt commences to ensure success.

TINY TEN

Hunters from around the world are looking for new opportunities to test their skills and wit – Test it against the often forgotten “tiny” species of Africa.

SOMERBY OFFERS TOP QUALITY TINY 10 HUNTS IN AREAS ACROSS AFRICA!

BIRD HUNTING & FISHING

An exhilarating high-volume dove and rock pigeon shoot is the perfect ending to any of the exciting hunts that we will put together for you!

NIGHT HUNTING

Hunting of the rarer and elusive nocturnal species such as honey badger, civet, hyena, genet and several cat species including serval and caracal is one of our specialties. Permit applications and prior planning is required to provide these unique opportunities to our hunters and we make sure that this is done before you arrive for your hunt. Exciting night hunts in certain areas for jackal, African wildcat and other critters such as Cape hare, springhare, mongoose and bushpig allows for around the clock fun.

FUN ON SAFARI

It's not just about the thrill of the hunt but about all the magic memories in between that fills the hours with fun.

Our full-time tour guide will take non-hunters out on exciting activities in the vicinity of the hunting area. After a full day of fun, they can reunite with the hunters and discuss the exciting events of the day around the blazing campfire underneath the starry African sky.
